THE DOTHAN EAGLE

-DAILY EDITION-

VOLUME 1

DOTHAN, ALABAMA, WEDNESDAY EVENING, MAY STH. 1909

WHEN THE EDITORS GET HERE

On the 16th and 17th of next month, we are hable to have in Dothan some 200 to 250 editors, the most of whom have never visited us before for Doth in is not the center of grave tation in Alabama if it is of the wire grass and one must com

When the editors arrive they should find the people here reads for them. Very few people here will know many of the editors but they ar just human being like most of us and like in staus they like to so a mo cloud his up to dot fown and if the find it here this ai most suct say something about it when the g t back home. The barn ough to be put in ship the hors bushed up and curred down in the buggy pointed or polished in the back yard of med and ther due attention should be paid th front yard the lawn and griden When one eleans up about the place the starting point should b in the rear where the paying or sold un rests

like a fr curian or automobil drive over the city sometime dur n), one of the two days that it here. We have many currenif not as many autom bills as cahe found in the fur i cites in we might get Charle Funk-Du Biller Dr. Liks Dr. Howell John Sanders, Norm to Bloam in p remade the Killy boys of SI combiterum up-and help us out By these means we might be en abled to present a fully decenautomobile front the tulend ≱h∈procession bing fdl dim with inblice total turnints

Half the excuses one puts up would be better never made

It's a sight to see how the pros pective candidates are treating the

It is best to look on the good side of anything, but at times the thing turns around

When one does the best he can that ought to answer, and will, when it is understood

The school boys and girls will in a few weeks be five, and sum mer's festivities and frolics will

Anyone is liable to make a mustake, but they ought to be eartful about making the same one twice If the backbone of winter hasn't

been broken, and that of spring dislocated, it is due to have a case of locomotas attaxus (If that inn't right, look it up) The weather man is due to make

some apologies, but he will not for the only time he ever talked about his failures, was when he pulled off that March 4, weather

The next thing we know, some one will be imming a "Seeing Do than." with a spieler eiting out in front with the driver, not yet called "show-fier" in these parts

Nearly every day, news comes to the paper that would cause much hard feelings, and maybe some bloodshed, if it were published The small paper in a town of this size is the real press

The only thing we can't understand is, how in the world the day morning. His name is S F public will stand for such a paper, one day reading matter, and the next few days fill up matter It must be a constant source of surprises, a surprise coming when the paper has something in it

The newspaper worker is like the glass worker, he may never do much at the business, but it so

The Dothan Eagle units him for snything else that it was the first time he ever tried he seldom quits, and if he failed to sleep out of his own home and failed till he landed on the county farm for the poor and en-peace when they take a man of feebled he would insut on start such steady habits and break into ing a publication and he would the even tenor of his wa praise that farm until every iti zen in the county would want to go there to live

> The present generation of la than, as follows dies can get down the old da guerrotypes of their grandmothers, and wonder how in the and publication of this ordinance vorld they could ever wear such lother as were worn back before before the war. Just a few genrations ahead and our descend ants will be saying the same things about the clothes work by due shall be and become delinfemninity in the present period the hats for instance-no not unattractive but odd enough to prove a source of aminement to the fair six a hundred years

COURTS DISTURB ONE

There is a man serving on the jury in the circuit court of Houston county this week who lunever been in court before. He has never sat and listened to the borrowing cigara and tobarco

This man is strictly a home man Monday night was the first he had spent away from home succ he was married over twenty on years ago. He never visited and took hor family with him. He has never been out of the county II lived where he now lives a mile west of Pansey, when this was Henry county, and he was born a mile or so of his present home just forty-nine years ago. He is one of the original actilers and during all these forty nine years of his life he has never been fur ther from the place of his hirth then one could walk in half a day's squirrel hunting, but for tall that he is a man of good aver age intelligence is a good pies perous farmer has obeyed the law evidently or he would have been sworn in court before he took oath to do his duty as a juror Mon-Lynn, of one mile west of Panses and his fellow jurors who knew that Monday night was his first from home, expected him to disturb them during the hours be tween sunset and sunup they ex pected him to ery to go hour they said, but Mr Lynn said lie

Courts are disturbers of the

ABOUT R EFRIGERTORS

Whatever food stuff is put into your refrigerator should not only be kept cool, but it should be kept clean. One article of a high odor should not make another article taste of it.

Our reingerators will do all that one can expect a first clash refrigerator to do.

The next point in their favor is: Ice-Econ. omy. We will put our CHALLENGE against any make on earth.

Come down aud let us show you through them We have them in any price.
